

SUMMER VACATION WEBSITES

Math:

Good site to review/reteach skills in many math areas like geometry, number, fractions and measurement.

<http://www.jmathpage.com/math-topics/number/>

<http://www.primarygames.com/math.php>

<http://www.abcya.com/>

<http://www.sheppardsoftware.com/math.htm>

Cool Math for Kids: Lots of games and tips for parents on how to use the site best for your child's learning.

<http://www.coolmath4kids.com/>

Literacy:

Spelling City: Dolch word spelling lists with games to reinforce skills. <http://www.spellingcity.com/dolch-words.html>

Magic Keys: <http://www.magickeys.com/books/>

Science:

The Science Explorer: Lots of experiments that use common household goods.

http://www.exploratorium.edu/science_explorer/

Just for Fun:

PBS Kids: Ideas for hands on activities to be done OFF of the computer including recipes, crafts and experiments. <http://pbskids.org/cyberchase/activities/>

National Geographic Kids: Lots of fun stuff to read about with some games and activities to try at home.
